Course Details

Mode: Full time | **Duration:** 2 Years | **Accreditation:** NBA | **Offered by:** Madurai Kamaraj University, Madurai

Master of Business Administration is a two-year full-time course offered by Madurai Kamaraj University, Madurai and approved by All India Council for Technical Education.

Admission Process

- TSM uses CAT/XAT/MAT/CMAT to shortlist candidates for the two-year full-time Post Graduate Programmes in Management. Selection will be, inter alia, based on CAT/XAT/MAT/CMAT taken in May 2017 or later, previous academic performance and the performance during the Group Discussion (GD)-Personal Interview (PI)-Written Ability Test (WAT). If the candidate has taken more than one test, the candidate is required to furnish ALL his/her test scores. The best test score after moderation will be considered for evaluation.

Eligibility Criteria

A graduate in any stream/programme recognized by the UGC. Students graduating in May 2018 may also apply. In the event that an admitted candidate has any standing arrears, he/she must clear them latest by 31 July 2018, failing which he/she will be compulsorily required to leave the Institution and his/her admission will be canceled.

Careers360 Ranking / Rating

Institutions that are promoted by the central/state or provincial Government or Careers360 shortlists over 5000 colleges across domains each year. Out of these colleges, only those colleges are rated/ranked which provide transparent data requested by Careers360. The cumulative scores of colleges are then calculated and they are divided into clusters as per their scores. Careers360 ranks private and government colleges separately as the support system of both types of Institutions is completely different.

What is Ownership?

Public/Government Ownership:

Institutions that are promoted by the central/state or provincial Government or Government aided agencies.

Private Ownership:

Institutes that are promoted by private trusts/Societies/sector 8 companies that are not for profits.

What is Accreditation ?

Accreditation is a process by which the quality of all the programme is examined and certified normally by an external body of academics in a college. It validates and certifies the academic processes practised within an institute are robust and relevant.

What is Approval ?

In India, a degree can only be delivered by an approved institution and awarded by an institution authorised to do so by an act of parliament or legislature. Approval of institutions can be in the form of affiliation, autonomy, constituent or even approved institution status accorded by a university.
